Swimming 2016

School swimming for 2016 is booked to begin **Week 8 (Tuesday 22nd March)** at Splash Palace. This is an essential part of our Physical Education programme with the aim of promoting water safety and swimming ability for all children at our school. All classes will swim between 1.15-2.15pm, Tuesday - Thursday until the end of Week 11 (Thursday 14th April) for 10 sessions. Buses will transport the children to and from the pool – subsidised by the Invercargill Licensing Trust. **Our School Swimming Sports will be on Thursday 14th April.**

Some points to note:

- Please ensure all clothing is named clearly and that young children have clothes that are easy to get changed in and out of.
- If your child is unable to swim on any particular day please send along a note to the class teacher.
- You will be able to pick your child up from the pool after swimming if this has been arranged with your child's teacher.

To ensure the smooth running of the programme we appreciate parent assistance, either in the changing rooms, or in the pool with lessons. Please fill in the form below and return to school by Friday 18th March if you are able to help. Parent helpers are asked to meet us there 15 minutes prior to our start time to help with changing.

The cost of buses, swimming practices/lessons at Splash Palace, extra swim teachers and the final swimming sports day is \$17 per student which is subsidised annually by the ILT and Board of Trustees. This will be charged to school accounts next term.

You will receive a timetable confirming your hours and days along with a guideline of how you can best be of assistance to us.

Thank you,
Keri Burton & Cassie Watt
