"From Strong Foundations We Grow and Stand Tall Together"

Informing this strategic plan (7b/7c): has been guided by the 2023 strategic plan in consultation with community, kaiako, and Board of Trustees. Myross Bush School is working to embed the learning from 2023 to ensure a promising learning journey in 2024 and 2025 for all tamariki.

Goal

Create an inclusive and responsive school environment ensuring the well-being of ākonga and kaiako are cared for.

Actions

- A comprehensive review of our school's procedures and activities to ensure they reflect and celebrate the diverse cultures and backgrounds of our school community. Revise and strengthen our culturally inclusive practices.
- Create a welcoming environment that actively fosters a positive and inclusive atmosphere where everyone feels valued.

Success

- Increased cultural awareness
- A rich curriculum that recognises diversity
- Culturally inclusive practices
- High attendance and a strong sense of well-being

Goal

Develop a responsive and engaging local curriculum that meets the evolving needs of ākonga.

Actions

- Review, update & align our local curriculum with the NZC refresh to ensure it is responsive to the evolving needs of ākonga.
- Create an environment where all ākonga, regardless of their individual abilities or challenges, is provided with tailored support to thrive.

Success

- Professional development for kaiako to build capacity and implement changes
- Improved academic performance
- Refreshed school curriculum documents
- A school curriculum that reflects the diversity and needs of our ākonga.
