

Myross Bush School
FROM STRONG FOUNDATIONS WE GROW AND STAND TALL TOGETHER

Moffett Cup 2016

Thanks to those coaches that offered to help with practices. They have been spoken to and will be running some rugby practices on Tuesday or Thursday (weather dependent).

The remainder of the children will practice in their classes with their teachers.

- The Moffett Cup is our Annual Rugby and Netball competition against all the schools in Southern Zone.
- Please have appropriate practice gear (boots, mouth guards, etc).
- Bring a change of clothes. Practices will all be held at school.
- All Year 3 to 6 children compete. This year it is being held at Tokanui on Friday 5 August.
- This year we have 13 teams so are relying on super parent helpers.
- Please let Cassie know if you are able to help coach a team or help on the day.

Children will be notified of practice days by their teacher/coach. Any further questions, feel free to contact me.

Thanks

Cassie Watt
